

# Guidelines for scientific poster presentation

**6th International Symposium on Phospholipids in Pharmaceutical Research,  
September 9–10, 2019 in Heidelberg**

## **Aim of the poster exhibition**

The poster exhibition is intended to motivate early-stage young scientists to present new research results with regard to phospholipids.

## **Date of the poster exhibition**

At the Symposium on September 9–10, 2019, at least one author should be present at his poster during the time reserved in the program for the presentation of the posters. The posters should remain in place on both symposium days.

## **Language and format of the posters**

Present the poster in English in format A0. For designing purposes, we provide you our PRC Logo as jpg-file on our homepage [www.phospholipid-institute.com](http://www.phospholipid-institute.com).

## **Poster registration**

Posters have to be registered as poster abstracts by July 15, 2019 via email:  
[info@phospholipid-institute.com](mailto:info@phospholipid-institute.com).

The poster abstract (pdf-file) has to be submitted in English according to the template at our homepage [www.phospholipid-institute.com](http://www.phospholipid-institute.com).
